Application to Enroll in MBB S-102
Becoming a Brain Scientist: Neuroscience and Psychology Research

Registration and application instructions

1. Register online for the course as you would for any Summer School course.
   Please note: Your application will not be reviewed until you register for the course.
2. Your registration will be recorded as "WP," or Waiting for Placement. Your registration is conditional until the selection process is complete.
3. Complete and submit this application along with the other required documents.
4. The selection process for the course, and placement in an affiliated research lab, will begin in March and continue until the course is full.
5. You will be notified of an enrollment decision as soon as it has been made.
6. Should you not be enrolled in the course, you will be notified so you may register for a different course.

(see www.summer.harvard.edu/login if unsure)

AGE AND ACADEMIC LEVEL	
Age at start of course:	Year in secondary school: ❍ Junior ❍ Senior ❍ Other Year in college: ❍ Freshman ❍ Sophomore ❍ Junior ❍ Senior ❍ Other ❍ Other

Submit the following documents with your application:

- A statement of 250–300 words explaining why you wish to enroll in this course and how the course fits in with college or career goals. Include a list of courses and other background, if any, that is relevant to the course.
- Transcript:
  - college students: your college transcript
  - high school students: your high school transcript
- Letter of recommendation from someone familiar with your background in science.

Work in this course is varied and depends on the lab to which you're assigned. To assist us with lab placement, please indicate (check "Yes" or "No") whether or not you would be able, after proper training, independently to do the following:

Interact with human subjects:	❑ Yes ❑ No
Safely handle chemicals:	❑ Yes ❑ No
Interact with a microscope and/or computer images:	❑ Yes ❑ No

Submit all application materials, except for the letter of recommendation, in one envelope, or attached to one email in a single scanned document. **If sending by email, include your name in the subject line.** Have your recommender send the letter of recommendation directly, including your name in the subject line if sending by email. Applications will not be reviewed until all materials are received.

Send this completed form, along with the other required documents, to:

- Scan/Email: brainscience@summer.harvard.edu
- Mail: Dante Spetter, Harvard Summer School, 51 Brattle Street, Cambridge, MA 02138
