### Instructions

**Minimum Age Policy.** Students who have completed high school and are planning to register for courses in the general Summer School program (7-week or 3-week sessions) must be 15 years old at the time of registration to enroll for noncredit and undergraduate credit; students must be 18 years at the time of registration to enroll for graduate credit.

**Undergraduates who are under 18 years old** must register on paper and must submit an official letter of enrollment from their home schools confirming degree-seeking status.

**High school students currently completing the 10th, 11th, or 12th grades**, including those graduating this year, must apply to the Secondary School Program (SSP) or the Pre-College Program (PC) and may not use this form (Form A). See [summer.harvard.edu/high-school-programs](http://summer.harvard.edu/high-school-programs) for more information.

**To register** you must complete Form A and submit it to Harvard Summer School, 51 Brattle Street, Cambridge, MA 02138-3722. The Summer School is not responsible for forms lost in transit. Additional registration forms may be downloaded from the Summer School website. When completing registration forms, please clearly print all information and write your full **legal** name on every form. Be sure to sign and date those forms that require your signature. For forms received after May 17, students must make full payment of tuition and fees in their online services account immediately. Students who have not paid in full by May 17 will be dropped from all courses, including waitlists.

**As part of registration**, you must provide your full **legal** name (exactly as printed on your passport or other government-issued photo identification), legal sex, date of birth, email address, and current postal mailing address.

**All critical Summer School announcements**, such as class cancellations, and most faculty communications are sent via email. If you are registered in any online courses, you must maintain an active email address throughout your enrollment. To protect the privacy and security of your student records, you must provide an email address that is unique and not shared with any other person within the Division of Continuing Education student database. Duplicate email addresses will be inactivated.

**You are responsible for maintaining accurate contact information** (email address, postal address, telephone numbers) with the Summer School. If we receive notice that your email address has been rejected by the email host, we will inactivate that email address in our system. Similarly we will inactivate a postal mailing address if mail to that address is returned as not deliverable. You may update contact information online by logging into your MyDCE account.

**Harvard College students** who have withdrawn or are on leave must submit a completed and signed Assistant Dean / Resident Dean form to the FAS Registrar's Office by May 17. Forms may be downloaded from the website (<https://registrar.fas.harvard.edu/forms-petitions>).

**Insurance is unavailable for the 2021 term.** Please leave the Insurance section of Form A blank.

**I-20 Certificates are not available for International students for the 2021 term.**

**Ukrainian Summer Institute applicants** must first submit a separate Ukrainian Summer Institute application, available at <https://huri.harvard.edu/husi/husi-admissions.html>.
