*If you find that you are unable to attend the program on or before the first day, please contact your Program Director as soon as possible to adjust your enrollment status. If you cannot complete your study abroad program after the drop deadline (the first day of the program), you have the option to withdraw by the deadline posted above. Please contact your Program Director to discuss the options and implications of withdrawing. For any course registration changes, you must complete the Study Abroad Registration Change Form for before the posted deadlines for your respective study abroad program.
